To Whom It May Concern:

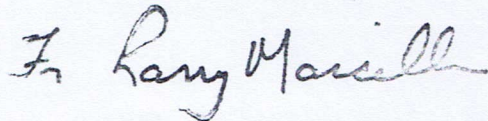

It is with pleasure I send this letter of reference for Kintel General Contractors. Blessed Sacrament Parish now 80 year old was in need of major restoration which has been ongoing for the last 3 years.

We contracted Kintel as our General Contractor for this large project including work within the church and our parish hall renovation. The renovation included all newly constructed washrooms, kitchen, refurbished our hall and stage; installation of an elevator in the church, removing all our pews for repair on the terrazzo floors then repaired and replaced the pews. As with usual with major renovations our needs continually evolved and Kintel was always able to meet our needs.

The workmanship was excellent. Kintel completed the work on time and always had his crew here and available when needed. With many interruptions by the church schedules such as funerals etc. they were always flexible and mannerly around the church. They were quick on deficiencies and followed through to completion. The staff we dealt with at Kintel were wonderful and efficient.

I highly recommend Kintel; they were an excellent company to work with.

Sincerely

Rev. Larry Marcille
Pastor
